A Brief Introduction to NodeJS and Express

- Featured in JavaScript in Plain English. Click the square to read more.

DOM Events and their actions in JavaScript

- Featured in JavaScript in Plain English. Click the square to read more.

GigaPet

- Project Manager for full stack application with a 4 day deadline. Click the square for live interaction.
- GigaPet is an app that motivates children to eat healthy by feeding the child's gigapet the same foods. Children can see their pet grow and flourish, or wither and struggle based on the food it eats

SleepSavy

- Project Manager for full stack application with a 4 day deadline. Click the square for live interaction.
- SleepSavy is an app that tracks your sleep and gives you recommendations based on the data it has received. Data includes mood and how many hours of sleep
